

EMMA MÜHLBERGER

Frontend Developer

Work Experience

Berliner Kaffeerösterei

Frontend Developer

01.09.2020 - today

In a team of 4 programmers and 2 designer we work on a new, mobile-first website. I work with HTML, CSS and Javascript and use the libraries ChartJS and GSAP.

Data Management

01.04.2018 - 31.08.2020

Creating and updating products using the ERP system "SelectLine".

CECA S.A.

10.10.2017 - 31.01.2018

During my stay I worked at the laboratory for quality control in San José, Costa Rica, checking the properties of coffee for deficiencies.

NGILA Coffee Estate

01.08.2017 - 08.10.2017

The internship at NGILA allowed me to deepen my knowledge of coffee and coffee cultivation. My tasks included farm work as well as roasting and cupping of coffee.

Education

Ostschweizer Fachhochschule

09.2021 -

Master of Science: Information Systems

Ludwig-Maximilians-Universität

10.2018 - 08.2021

Bachelor of Science: Business Administration

Friedrich-Ebert-Gymnasium

09.2011 - 07.2017

Abitur

Cecilien-Grundschule

09.2005 - 07.2011

Additional Qualifications

Costa Rican Language Academy

10.2017 - 11.2017

At the CRLA I attended all-day Spanish lessons in groups of three students. I finished my lessons at a language level of C1.

Chimfunshi Wildlife Orphanage

07.2017 - 08.2017

The volunteer work in Zambia included: farm work, cleaning of feeding rooms and behavioral enrichment.
